

Clarksburg Cruise Permanent Populaire – Davis Start

This route is a virtually flat ride to the delta. It starts in Davis, crosses the Yolo Causeway, passes through West Sacramento to Old Sacramento, and then follows the Sacramento River south to Clarksburg. It then returns with few route variations back to Davis. While in Clarksburg riders will pass by the historic Old Sugar Mill, home to local wineries. Total mileage on the route is a little over 65, with the elevation gain totaling less than 500 feet.
