## Newsletter of the Davis Bike Club

### Message from the President

*Stu Bresnick*

Welcome to 2009! I hope it is a safe and healthy year for all of us. We are having a break from our usual newsletter. Dan Shadoan, who has been graciously filling in as temporary newsletter editor, is taking a sabbatical. Meanwhile, we are searching for a permanent editor and expect to have someone by March.

I want to use this opportunity to briefly communicate with members and transmit some timely information. This, and future updates, will all be on the website so I encourage you to check the website.

I am pleased to announce that we have a new Board of Directors for 2009, with a good mix of new faces and returning members. I think it is important to bring new faces on the Board each year, to keep us energized and to bring in new ideas and a fresh perspective. We owe a big thanks to all the Directors (past & present), who work to help keep the club strong and active. Following are the 2009 Directors of DBC:
